THE proceedings of the Convention held yesterday, will be found at length in another column. We support all obligaory nominations of the Democratic party, whenever indicated by a vote fairly representing the will of the Democratic party. The lateness of the hour of adournment, the dissatisfaction expressed by the minority delegations, the complaints of many disastisfied citizens known to be unswerving Democrata, and the suggestion of snother Convention, lead us so far to doubt whether the proper indications of Democratic preference has been had that we shall defer until to- Republic Precialmed in Italy-Conduct of morrow, further expression of our views in the premises.

Jamked A. SWAIN, General Agent Equitable Life Assurance Science of the United States.

ar I have this day (as per reference to the shore card) connected mysels with James A-seals in the General agency of the Equita-ie 146. Assurance secrety of the United States for the States of Founcesco, Arkanara and Northern Miscassipul, and in such suppoand Northern Mississippil, and in such especially present myself to the guale. The basices that I have just entered upon is emmantly worthy or the most serious attraction and thought and commends liself to the calm reflection of all, and the company that I have the honor in part to represent, is not accelled by any other similar corpo acton in the United States in point or so vency merit, sorth and extent to business. Embodemed by these considerations, I confidently appeal
